Our Day Begins

The flag symbolizes the heritage
and freedom under which we live.

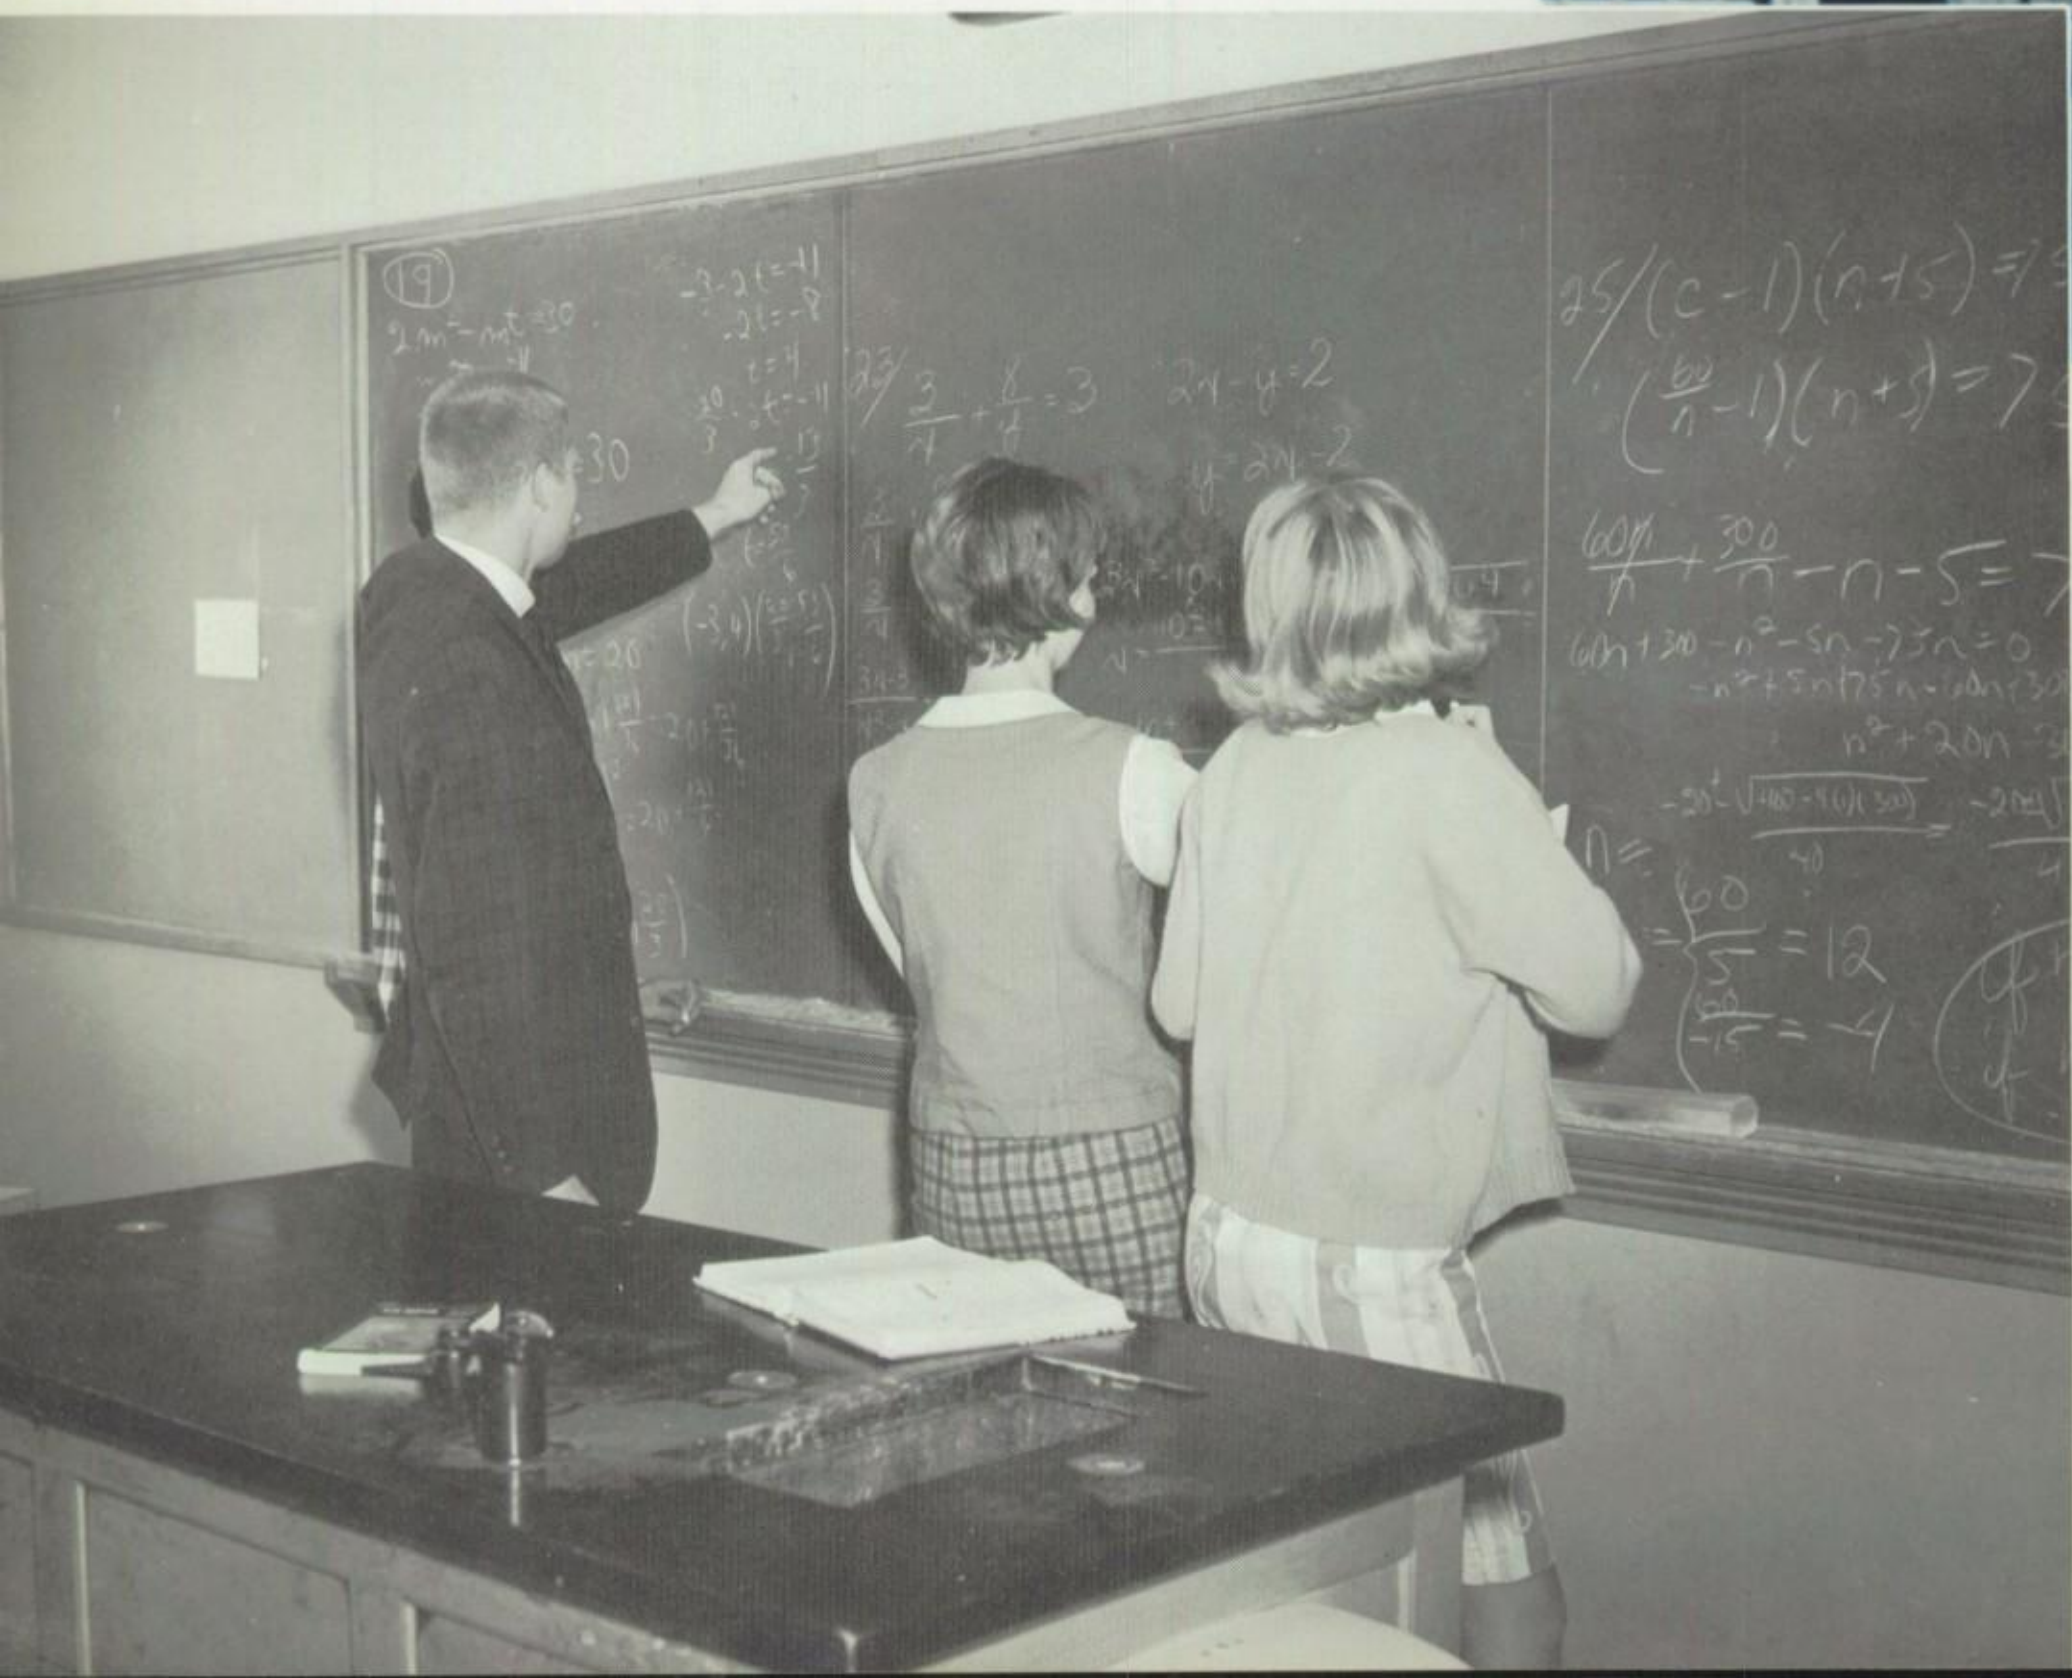

It serves as our protector and
guardian, as does our principal,
Mr. Kissack. Under his supervision,
the school has become the center
of our lives.

Hard Work and Learning . . .

Classes are offered to suit each student's individual interests. For those planning a college education, "prep" courses offer the needed background. Industrial arts classes offer technical knowledge for later use; moreover, the clerical department provides valuable training for almost any occupation. The diversity of classes offered produces a well-rounded individual.

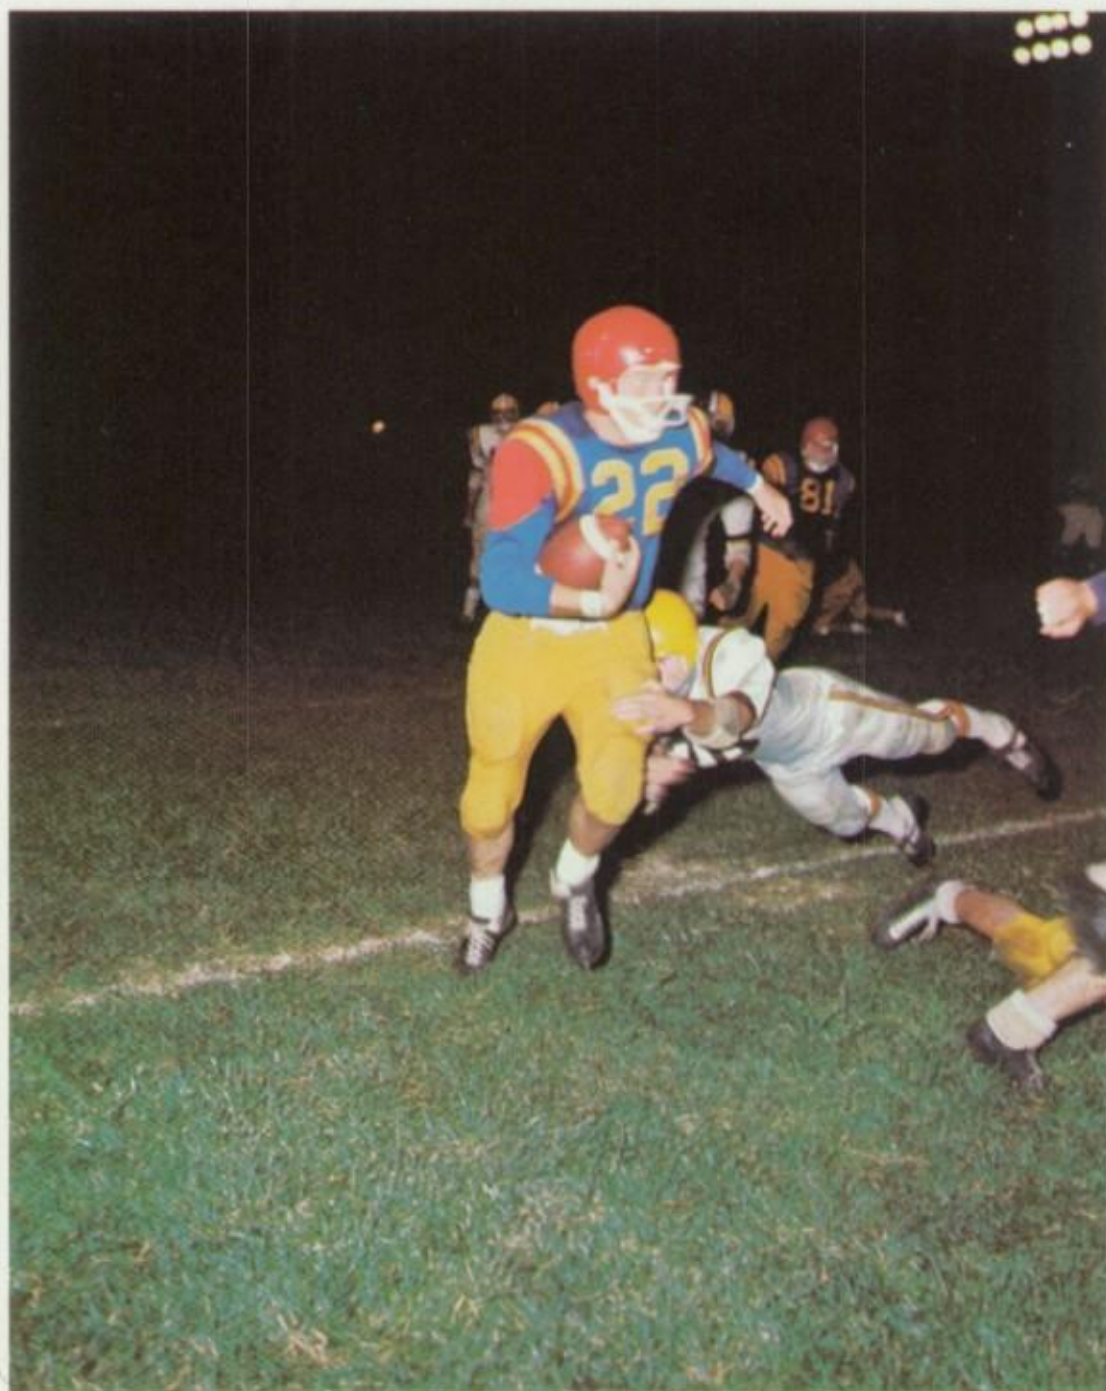

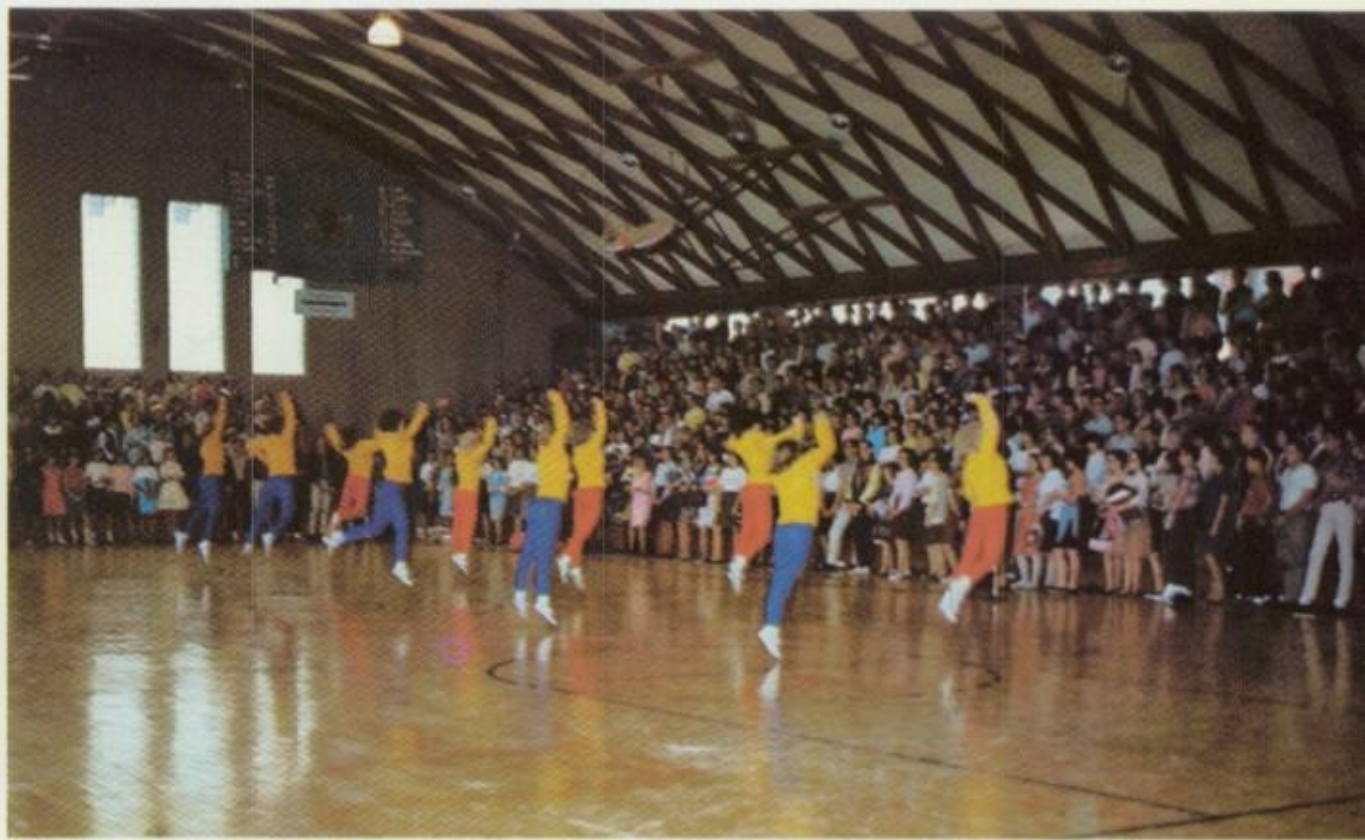

But, All Work?!?

Although classes constitute the major part of our day, occasionally time is allotted for assemblies and pep rallies. The assemblies provide useful information as well as enjoyment for the students--the pep rallies promote enthusiasm among the student body as well as the "team." School is made up of many things; work is only part of it.

Coronation

On her birthday, Oct. 4, 1966 Miss Peggy Davis was crowned queen

--crowned by her sister, the retiring queen, Miss Linda Davis.

The Queen and her Court: Miss Phyllis Sitze escorted by Bob Wilson,

Miss Sharon Hammond escorted by Mike Scroggins, Miss Linda Davis,

retiring Queen, escorted by Ed Harvey, Queen Peggy Davis escorted

by Terry Lockett, Miss Diana Miller escorted by Dick Dona, and

Miss Christa Linville escorted by Ned Thompson.

Even School Can Be Fun!?!

The uniformity of the day is interrupted by breaks--breaks between classes, during lunch, and during P.E. It is then that we socialize and relax. Such times become an important part of our day.

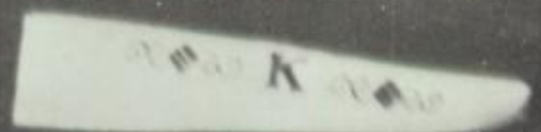

Our Day Ends

As the last part of our day comes to an end, and the last bell rings, and we board our busses, the halls are empty, but waiting-- waiting for the start of a new day.

Mr. Greenlee

The Rox Staff takes great pride in dedicating the 1967 Yearbook to an outstanding teacher, Mr. Kenneth Greenlee. After attending Mt. Vernon High School for four years, you graduated in 1955. Four years later, you completed your Bachelor's Degree at Southern Illinois University, Carbondale campus. While working towards your Master's Degree, you were a graduate assistant at SIU--doing lab work and occasional lectures.

You joined the Roxana teaching staff as a chemistry teacher in 1961. At the same time, you became the ROX sponsor. You have spent many hours and much hard work towards the betterment of our Yearbook; it has steadily improved under your sponsorship.

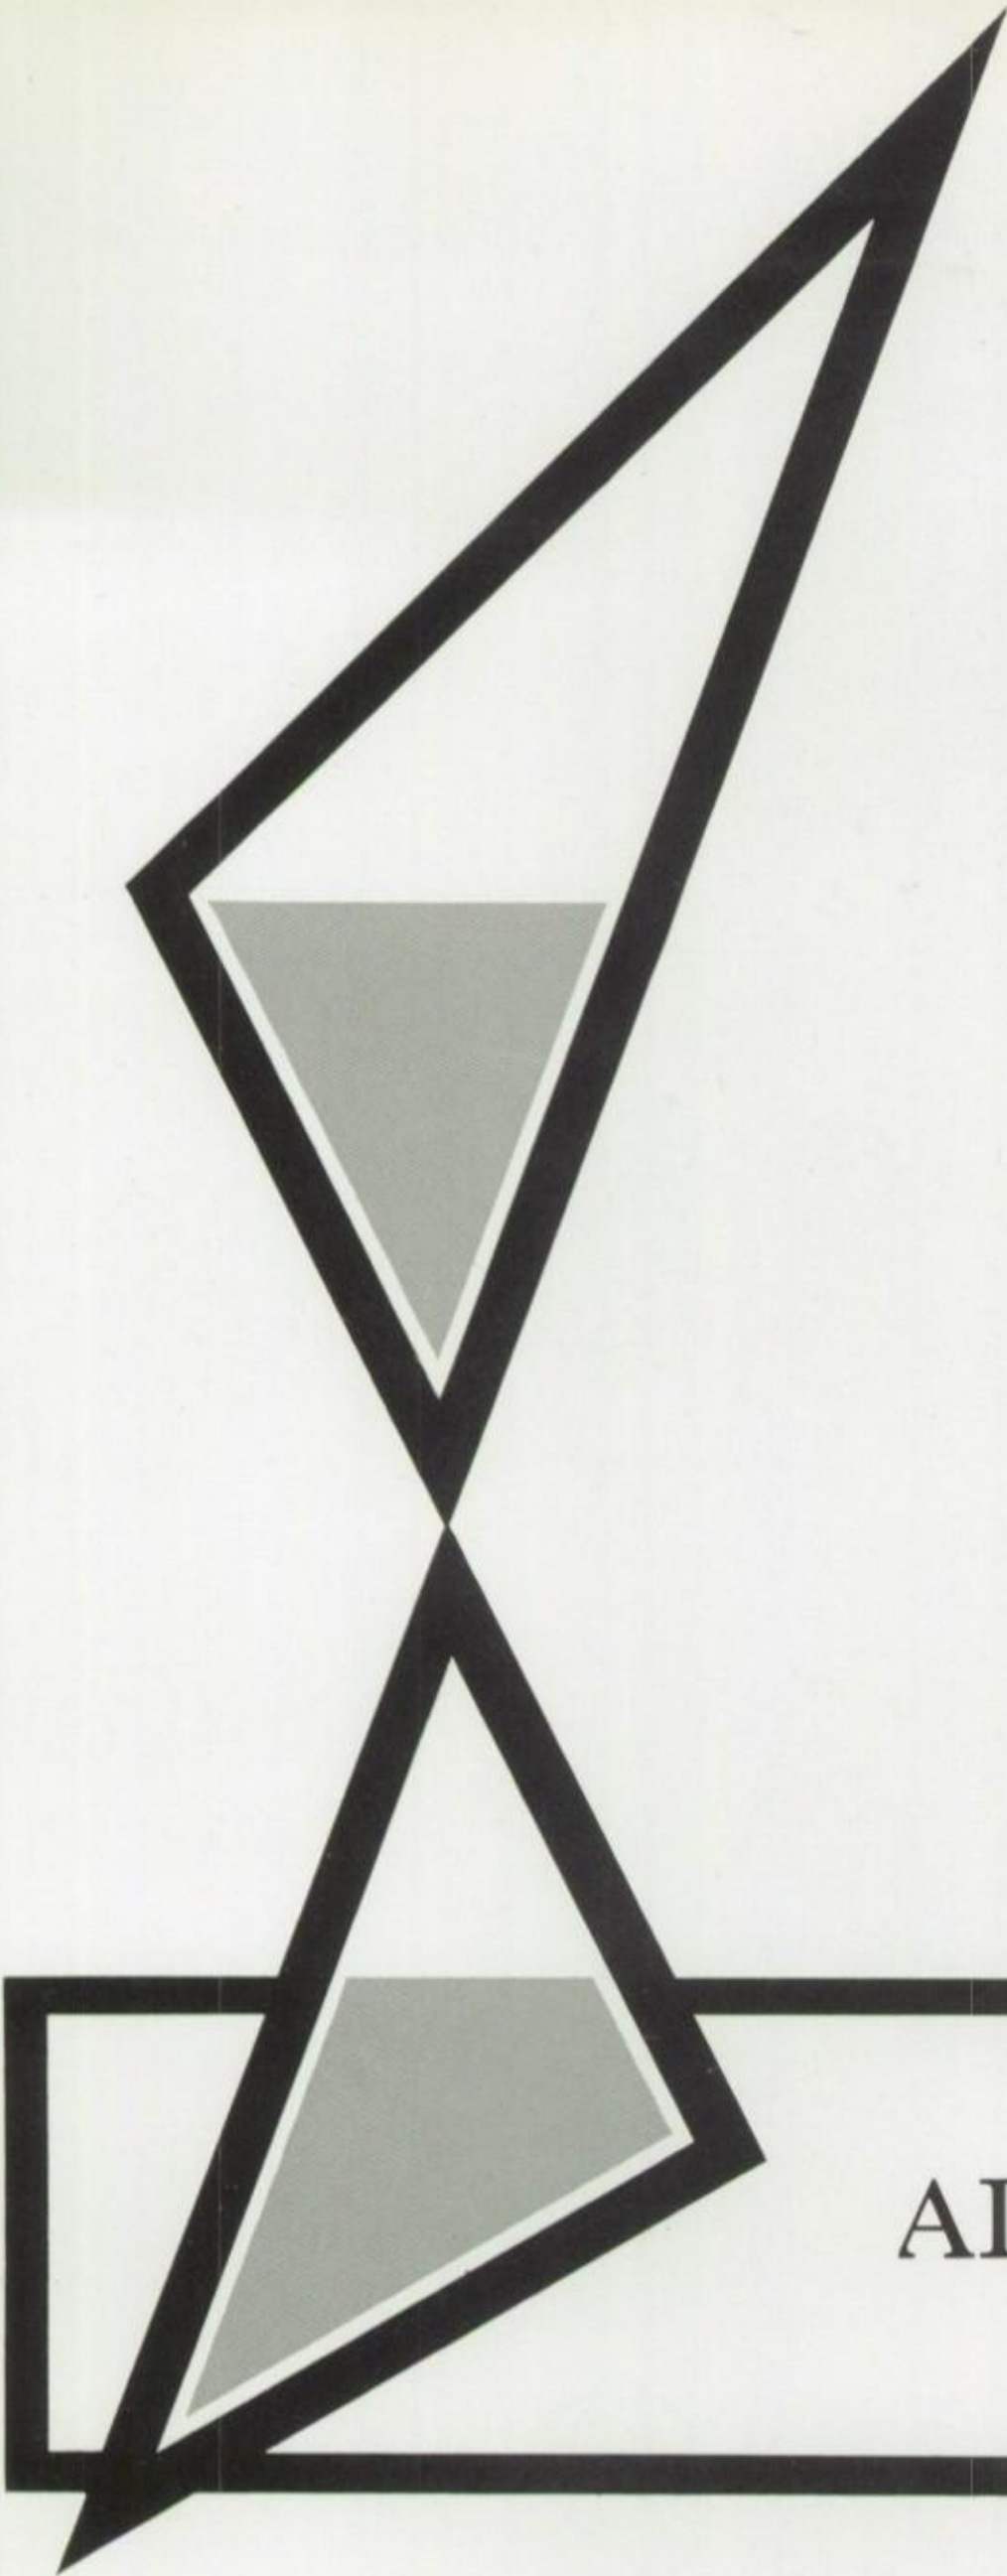

In recognition of your outstanding ability as a teacher of chemistry, the National Science Foundation Summer Institute has awarded scholarships to you since 1964. Because of these scholarships, you have furthered your education while attending Hope College, Knox College, and Butler University. Most of your spare time is spent with your wife, Wilma, and your five children; therefore the staff has accumulated a few pictures of you with them.

It is with great respect and appreciation that we, the Rox Staff of 1967, present this yearbook to you, Mr. Kenneth Greenlee.

An outstanding landmark in the high school area is the huge elm tree just south of the building. The tree has withstood the building of Roxana High School along with the numerous additions and improvements which have followed. It is a favorite with biology students, since it is quite easily identified, and it has come to symbolize the high standards and ideals of the Roxana school system.

Our principal, Mr. Kissack, came to the Roxana school system in 1950, after receiving a Master's Degree in Education Administration from the University of Illinois. For five years he taught in the junior high school; after which he taught geometry and physical education in the high school. He served as varsity basketball coach until 1960, at which time he was given the duties of assistant principal. He became our principal in 1962.

Mr. Mygatt, our assistant principal, received his Bachelor of Science in Education Degree from Southern Illinois University's Carbondale campus in 1960, and completed his Masters at the Edwardsville campus in 1964. He was assistant football coach and drivers' education instructor at Roxana High from 1960-1964. This is his second year as assistant principal. Both Mr. Kissack and Mr. Mygatt hold memberships in various professional organizations.

To be an effective citizen, one must be able to communicate capably with those about him. Furthermore, one must be able to think, write, and speak clearly. The English Department, headed by Mrs. Berutti, strives to develop these qualities through the study of grammar, literature, and composition. Each student benefits from this field of education whether he chooses college or industry.

Determining class schedules, administering achievement or aptitude tests, compiling class ranks, supplying scholarship information, completing reference sheets, and listening to the complaints of a frantic student are all a part of the guidance counselor's busy day. Our three counselors, Miss McCann, Mrs. Calvin, and Mr. Black do a fine job in coping with Roxana High students and their never-ending problems. The counselors are always willing to advise a student on any type of problem he may have. Mr. James Black is head of the Guidance Department. Mr. Black received his Master of Science Degree at S.I.U. Mrs. Calvin received her Master of Education Degree at the University of Illinois. Miss McCann received her Advanced Certificate of Education at the University of Illinois.

Speaking and understanding foreign languages is becoming increasingly important in today's world of improved transportation. Not only language, but also customs, habits, and ways of thinking are barriers confronting the peoples of the world. For this reason, the foreign language department emphasizes understanding and conversation rather than grammar. French, German, and Spanish are the languages offered at Roxana. Miss Trogon is head of the Foreign Language Department.

For the creative student, industrial education offers an outlet as well as an opportunity for development of manual skills. The department provides courses in drafting, printing, wood working, and crafts.

In these classes, boys produce gun racks, coffee tables, lamps, tooled purses, and billfolds, and a large variety of other handicraft articles. The training and experience obtained in the courses enables some of the boys to more easily obtain jobs after graduation and also helps them to realize their abilities and skills in several commercial processes.

Diversified occupations under the direction of Mr. Herndon and the Industrial Education Department is a unique course offered at Roxana High School. In this program, the student spends an hour of class time in related information and then works at on-the-job training in the afternoon. The course is open to juniors and seniors.

For the job to be satisfactory for Diversified Occupations, it must require at least 2000 hours experience for mastery. Co-operating firms providing jobs in this vocational training program are Ace Printing Service, Home Nursery of Edwardsville, Superior Cleaners, 1-Hour Martinizing Cleaners, Benred Meat Company, and Carroll Lumber Company. Mr. Samuel Herndon is the head of the Industrial Education Department.

A vocational welding class has been added to the course offerings in the industrial education department this year. The course meets two hours per day and is taught by Mr. Dodson, who was unavailable for a photograph.

SECOND ROW: Jo Zangori, Susan Hutchens, Beverly Carlton, Randy Allison, Jim Borchers, Cheryl Hatfield, Pat Killebrew, Cheryl Elliott, Karen Williams.

Accounting for a large portion of the funds for yearbook publication, and also yielding support for the school paper, the magazine sales were more profitable this year than ever before. Students did an outstanding job in-dividually, with 102 receiving free yearbooks for sales of more than \$25 worth of magazines. Collectively, they averaged more than \$7.50 per student in establishing a total sales record of more than \$5500. Due to the in-creased student interest, co-operation, and support, more pages, more color, and more quality have been in-corporated into the ROX this year, with no increase in the purchase price to students.

Small stuffed dogs and a \$1 bounty were received by these students who discovered the hidden mascots in homes throughout the school district. FIRST ROW: Becky Ward-low, Gail Edsall, Lorene Haggard, Phyllis Badgley, Jane Humphrey. SECOND ROW: Patricia Piper, Jackie Michel, Kay Winders, Pat Killebrew, Paula Tuis, Julie Cook. The ROXETTE this year was distributed monthly. The format was changed completely and the paper was mimeographed in order to minimize production costs. New features which offered answers to student questions and a chance to express opinions were added. Mrs. Roth was the sponsor, Linda Stokes, served as editor, and Suzanne Garrett was assistant editor.

Staff members attended several press conferences this year in order to improve their journalistic ability. Meetings were held at Washington University, Monticello College, and Southern Illinois University in Carbondale.

In addition to knowing the rules for all the activities, the girls must also maintain a high scholastic standing in order to retain their positions. Due to these standards, selection as a leader is a great honor.

Not just the team on the field, or the court, or running down the track, but the whole school is there giving its one giant effort to bring the Shells, to victory, and just as important, to lessen the hurt of defeat by a show of good sportsmanship by all students.

"Li'l Abner"

"The country's in the very best of hands," especially after L'il Abner, played by Mike Scroggins, finishes re-forming the government while Daisy Mae, played by Edith Nichols, awaits his return to Dogpatch, their hometown. While Abner is still in Washington, Earthquake McGoon, played by Bob Mulligan, claims Daisy Mae as his own. With the help of Abner's parents, Mammy and Pappy Yokum, played by Donna Brown and Larry Crider, Daisy out-smarts Earthquake, and Daisy and Abner are joined in marriage.

Pictured below are Jo Zangori, Larry Crider, and Vicky Schell, members of the theater practice class who built the set.

The 1966 football team was completely unpredictable. High points of the season were reached as the team defeated traditional rival Wood River and as always--powerful Cahokia was held to a slim margin of victory in a hotly-contested match. However, the team also had some rather-to-be-forgotten moments against Highland and Jerseyville. Although the team amassed a season's record of five wins against only four defeats.

Sophomore level games were played against Bethalto, Wood River, Alton, and Granite City. Substitution was widely used in these games in order to insure a maximum of participation for each squad member.

Seniors

Peggy Davis, Mike Hill, Donna Brown

In September of 1964 the doors of Roxana High opened to us. Entering as timid sophomores, we soon adjusted to the idea of high school life. We were ready to accept the responsibilities and pleasures at RCHS. The Homecoming of 1964 meant much hard work and preparation, however, we were rewarded when our class float took top honors in originality. This was the beginning of the "good times" for us.

During our junior year, the activities were all directed toward raising money for the Prom. Fund-raising projects began in the fall, when the juniors operated the concession stand at all the home football games. The proceeds were deposited in the class treasury. In November and December, Christmas card sales occupied the spare time of the class members, but the profit from these was not as much as was expected. The juniors rebounded from this setback, however, and did an excellent job of selling candy during February. Candy sales profits provided a large portion of the Prom money. A coat check at all home basketball games netted more money, and this was supplemented by money from a bake sale. A basketball game between the Roxana and Wood River faculties, with proceeds going to the Class of '67, was also beneficial. The climax of '65 was the great prom "My Blue Heaven" dedicated to Mr. Greenlee--who helped us make it possible.

As Seniors, the class of '67 has experienced many outstanding events: the mighty Shells have proven victorious over traditional rival, Wood River, the majestic Coronation with Queen Peggy and her court; and the unique Candy Carnival which spread the Christmas spirit throughout the student body. These and many other events will never be forgotten. Although the class of '67 is anxious to leave, the members hope the "togetherness" will never end. However, it must, but happy memories of the prom and graduation will remain. The Seniors of 1967 are ready and anxious to begin their new lives.

JUNIORS

Last year, the Class of '68 entered high school as scared sophomores. They constructed a float for the homecoming parade. The class officers during the sophomore year were Randy Stormer--President, Carol Gornall--Vice-President, and Sharon Dycus--Secretary-Treasurer. Officers for the junior year are pictured above.

As juniors they again entered a float in the homecoming parade; the theme being "Stomp 'Em". Taking first place in the parade, the juniors won a \$30 cash prize. As goals turned toward fund-raising for the Prom, the Juniors operated the concession stand at all of the home football games. Candy sales profits also provided a large portion of the Prom money. At the Christmas Carnival the class members ran a "Get A Girl" booth.

The hard work and fund-raising activities were all considered worthwhile, since these allowed the Juniors to put on an excellent Prom.

The juniors contributed much to the high level of the school spirit at RHS in the past year and hope to maintain this success in their senior year.

SOPHOMORES

Entering high school in the fall of 1966, we, the class of '69, spent the first few months becoming accustomed to the high school routine. But, now we are "ready, willing, able" to cope with the responsibilities which we assume as sophomores-especially the Prom of 1968. Already, we have planned many "get rich quick" schemes to provide for the Prom. Hopefully, we WILL get rich quick!

Aiding us in our "cause" are the sophomore class sponsors: Miss Abberley, Mrs. Uhe, Mr. Hill, Mrs. Ubben, Mrs. Berutti, Mr. Brodzinski, Mrs. Groshong, Mrs. Goembel, and Mr. Podner.

We're Going With You

Whether you knew it or not, almost everyday of your school year you've used a product made by Olin Mathieson, or one that Olin Mathieson helped to make.

Once you're established in business or professional life, you'll probably hear a lot more about Olin Mathieson. A good many of you may have business with us, and a few of you may even come to work for us. There will be room because Olin Mathieson is growing. When Olin Industries, Inc., merged with the Mathieson Chemical Corporation in August, 1954, they brought together the most rapidly expanding industrial organizations. You and the Olin Mathieson Chemical Corporation will meet each other often as we do.

Meanwhile, we extend our best wishes. May the future bring you everything you've hoped for and worked for.

EXPRESSES
A COMPANY'S
DEDICATION

The ancients, exploring beyond known horizons, chose the scallop to symbolize their quest. Today Shell scientists and engineers probe the unknown to bring tomorrow closer. Wherever you see the Shell sign, it represents this constant search, this pursuit of excellence, of new ideas, new products, new ways to serve you better.

One of the most appreciated assembly programs in the history of Roxana High was presented by Thurlow Spurr and the Spurrllows. The group, appearing through the courtesy of Chrysler Corporation, gave an outstanding performance in a musical program which emphasized safe driving. Appearing with the group was Don Grady, who has won fame as one of "My Three Sons." The assembly featured vocal and instrumental renditions of standard songs as well as "pop" favorites.

Good Luck
 as you enter
 your Senior year.
 Probably we will
 be in some classes
 together. I hope
 we last thro'
 this last year.

Bob Glidwell

Lorene,
Best Wishes; only one
more year left to go
(thank Heaven!)
Roger

Lorene,
Good luck through
the summer and again
next year.
Ed Ray

Lorene,
Good luck and best
wishes next year. I hope
your ring doesn't turn
green
on your finger.

Dennis

Lorene,
It's really been fun being in French
and P.E. with you. Just think, next year
we'll be Seniors! Isn't that just great! It's
been great having you as a friend — I hope
we'll go on being friends. Good lucks in
everything.

Janet Catt

Bobbi,
I never had a chance to
really get to know you,
but I did enjoy talking
to you in Study Hall. Also,
I feel that we are comrades
because we suffered through
the boredom of Study Hall.
Better Luck next year!
Also, I hope you have
a full and happy life
with your "Boy."

Khonda Monken

Bobbi, I believe
I can't let you
it. Bunk let me
sign yearbooks today,
hope we got another
Study Hall next
year - have fun
next year -
big seniors -
Bill

Bobbi, I believe
we will get the gang in O.C. class. Maybe
you feel we are getting to know
each other. We can discuss our troubles together
and let off steam. See you next year
and a lot of luck.

Lots of Luck
in any area that
you enter into.
Yours Truly
Dennis Cooper

Bobby,

It sure has been a
wild year! French especially
will be something to remember
to! I hope you'll succeed in every
one of your future endeavors. Always
be as nice as you are now, and you'll
always be welcome wherever you go!

Always,

Cindy

Bobbi

Lots of luck to you

stay out of trouble!
Don't neither of us will
be in a ranch next

Have a great summer!

Congratulations and

married?

Dove ya,
Wally
